

## GATEWAY GROUP PERSONNEL

March 24, 2014

Gateway Group Personnel is pleased to announce a partnership with the American Staffing Association (ASA) - the largest community of staffing professionals, industry experts, and business partners in the nation! By partnering with ASA we will work together to explore best practices, developing new ideas, and discover solutions to the daily challenges facing the staffing industry.

We encourage our clients, candidates and colleagues to contact Gateway Group Personnel to find solutions and resources specific to your business needs. Why contact us? Simply put, work force flexibility and access to talent are the two main reasons that clients use Gateway Group. You will discover why we are the leading provider of staffing & placement services to key business sectors including Accounting, Finance, Office/Administrative, Medical Office, Professional, Technical/IT, Engineering and much more.

No one knows your challenges and obstacles better than us. Meeting and connecting with a Gateway Group consultant is a great way to ensure best practices and to find solutions to your staffing challenges.
